SEE YOU ON THE OTHER SIDE

The Book and the Study Book

Same words, same art, same look. The **Book** is for reading. The **Study Book** is a workbook for groups, classes, and anyone who wants to dig in.

What both have

- All eight chapters, word for word
- Cover art, chapter paintings, story illustrations, photos
- The same colors, fonts, and design
- Sermon at a Glance and the Big Idea
- Read First passage at the start of each chapter
- Key Verse boxes, pull quotes, Key Truths
- The Road Map and From the Stage
- Study Guide and Glossary
- About the Author
- Clickable contents, chapter links, bookmarks
- Watch the sermon QR code for every chapter
- Phone, iPad (with a notes column for the Apple Pencil), and computer versions

What's different

The Book

For reading straight through

- Cover line: *Eternity Reveals What Life Conceals*
- Each chapter ends with **For Reflection** questions
- No writing lines or weekly challenges
- A simple **Back · Contents · Next** bar on every page
- Links at the end of each chapter: start of chapter, study guide, contents, next chapter
- Also available for **Kindle and Apple Books**
- Prints as a 6×9 paperback

The Study Book

For groups, classes, and personal study

- Cover line: *A Sermon Series Study Book*
- **How to Use This Book** page, with plans for on your own, with a group, or with your family
- **Talk It Over** pages with lines for writing
- A **This Week** challenge for every chapter
- **Side navigation strip** on every page: Back, Menu, a tab for each chapter, End, Next
- Prints on letter-size paper for groups

Which file to use

DEVICE	THE BOOK	THE STUDY BOOK
📱 **Phone**	Other Side - Read on Phone.pdf	Other Side - Study on Phone.pdf
